

BIOLOGICAL MATERIAL TRANSFER AGREEMENT

The material contained herein is furnished by the Biobank under the following conditions:

1. The Biobank is making the material described in the attached list available as part of its policy to maximize the utilization of biological material for research.
2. The material can not be transferred to a third party without prior notification and a written consent from the Biobank.
3. The material can only be used for the project agreed upon by the Biobank, and the recipient.
4. Any application for intellectual property rights of the research product resulting from the use of the attached biological material will be designed to cover the rights of the biobank, recipient and the depositor of the material.
5. The Biobank should be acknowledge as the source in any publication or such activities.
6. The material is supplied upon agreement to the above terms.
